

(6/3/09)

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
WESTERN DIVISION

UNITED STATES OF AMERICA

: CASE NO. 3:08CR153

v.

: JUDGE THOMAS M. ROSE

**RICHARD J. SIEVERS, II, D.O.**

: PLEA AGREEMENT

---

Pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure, the defendant **RICHARD J. SIEVERS, II, D.O.** (“defendant”), individually and through his attorney, Ralph Kohnen, and plaintiff United States of America, by and through its attorney, the United States Attorney’s Office for the Southern District of Ohio (“USAO”), (collectively, “the parties”), hereby agree as follows:

1. **RICHARD J. SIEVERS, II, D.O.** will enter a plea of guilty to Count 1 of the Indictment filed herein on August 13, 2008. Count 1 charges conspiracy to dispense and distribute Schedule II Controlled Substances, namely Oxycodone and Methadose, in violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(C); a Schedule III Controlled Substance, namely Hydrocodone, in violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(D); and a Schedule IV Controlled Substance, namely Alprazolam, in violation of 21 U.S.C. §§ 841(a)(1) and (b)(2), all in violation of 21 U.S.C. § 846. Once said guilty plea is entered and not withdrawn, the USAO for the Southern District of Ohio will file a Motion seeking Dismissal of Counts 2 through 19 of the Indictment. The minimum and maximum penalty that the defendant **RICHARD J. SIEVERS, II, D.O.**, is subject to pursuant to his plea of guilty is up to 20 years imprisonment, a \$1,000,000 fine, and at least 3 years supervised release.

2. The parties agree that pursuant to United States Sentencing Guidelines (U.S.S.G.) § 2D1.1 the base offense level attributable to the defendant for the offense to which he is pleading guilty is an offense level of thirty-six (36) before any enhancements. When all controlled substances

*M*

*S* *S*

are converted to Marijuana, the relevant conduct attributable to the defendant equates to 23,075 kilograms of Marijuana, thus resulting in a base offense level of thirty-six (36). The parties also agree that pursuant to U.S.S.G. § 3B1.3, the defendant abused a position of public trust in a manner that significantly facilitated the commission and concealment of the offense and thus his offense level is increased by two (2) levels resulting in an offense level of thirty-eight (38). The following conversion rates are applicable:

**Schedule II Controlled Substances**

**Oxycodone/Oxycontin**

Strength in milligrams x total dosage units = Total milligrams of Oxycodone/Oxycontin (actual)

Total milligrams of Oxycodone/Oxycontin (actual) divided by 1000 = Total **grams** of Oxycodone/Oxycontin (actual)

Total **grams** of Oxycodone/Oxycontin (actual) x 6700 grams (conversion rate for Oxycodone/Oxycontin actual) = **total grams of Marijuana**

**Methadose/Methadone**

Total dosage units x 1400 milligrams (typical weight of a 40 mg dosage unit of Methadose/Methadone) = x milligrams

x milligrams divided by 1000 = x grams

x grams x 500 grams (conversion rate for Methadose/ Methadone) = **total grams of Marijuana**

**Amphetamine**

strength in milligrams x dosage units = x  
 $x \div 1000 = \text{grams of Amphetamine (actual)}$   
 1 gram of Amphetamine (actual) = **20 kilograms of Marijuana**

**Schedule III Controlled Substance**

**Hydrocodone**

1 dosage unit = 1 gram of marijuana (conversion rate for Hydrocodone)

Total dosage units x 1 = **total grams of Marijuana**

**Schedule IV Controlled Substance**

**Alprazolam**

1 dosage unit = .0625 grams of marijuana  
(conversion rate for Alprazolam)

Total dosage units x .0625 = **total grams of Marijuana**

The defendant understands and acknowledges that he could receive up to the maximum penalties provided by law if the Court so determines.

3. Pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure, the defendant and the USAO agree that an appropriate disposition of this case is that the Court impose a sentence:

- a. in the range of 84 months to 96 months imprisonment;
- b. a fine and term of supervised release as determined by the Court; and
- c. a \$100 mandatory special assessment.

Defendant understands that the Court will order the United States Probation Office ("Probation Office") to prepare a presentence investigation report ("PSR"). Defendant further understands that the Court may accept this plea agreement, reject it, or defer decision until the Court has reviewed the PSR. Defendant further understands that, if the Court accepts this plea agreement, the agreed disposition herein will be included in the judgment of conviction. The parties agree that if the Court rejects this plea agreement, defendant may withdraw from this plea agreement so long as the defendant has not breached this plea agreement. If the Court rejects the plea agreement and the defendant does not withdraw from the plea agreement, defendant may be sentenced to terms less favorable than those contemplated in the plea agreement. The USAO may, in its discretion, withdraw from this plea agreement if the defendant breaches this plea agreement or the Court rejects the plea agreement.

*ME*

*S* *82*

4. If the defendant complies fully with all the defendant's obligations under this plea agreement, the USAO agrees, at the time of sentencing, provided that the defendant demonstrates an acceptance of responsibility for the offense up to and including sentencing, to recommend a two-level reduction in the applicable sentencing guideline offense level, pursuant to U.S.S.G. § 3E1.1, and to recommend, and if necessary, move for an additional one-level reduction if available under that section. The defendant understands that the District Court is not bound to accept the recommendations contained in this paragraph. If the Court does not accept the recommendations contained in this paragraph, the defendant understands that he will not be allowed to withdraw his guilty plea.

5. The defendant understands that the Probation Department will conduct a presentence investigation and will recommend to the District Court a sentencing guideline range. The defendant understands that the Probation Department's recommendations are not binding upon the Court.

6. The defendant is aware that the Sentencing Guidelines are no longer mandatory in determining his sentence. However, the defendant also understands that said Sentencing Guidelines will be given consideration by the District Court, in conjunction with all other sentencing factors set forth in 18 U.S.C. § 3553(a), to determine the appropriate sentence. The defendant is further aware that the District Court has jurisdiction and authority to impose any sentence within the statutory maximum set forth for the offense to which the defendant pleads guilty. The defendant is aware that the District Court has not yet determined a sentence.

7. The parties hereby state that the charge to which the defendant is pleading guilty adequately reflects the seriousness of the readily provable actual offense behavior and that the

acceptance of the plea agreement by the District Court will not undermine the statutory purposes of sentencing.

8. The defendant understands that this plea agreement requires the defendant to abide by each term of the plea agreement. The defendant understands that if the defendant makes any statement that is materially false in whole or in part or otherwise fails to comply with any term of this plea agreement, the USAO has the right to declare this plea agreement void and to prosecute the defendant to the full extent of the law. If this plea agreement or the defendant's conviction is voided for any reason, the defendant waives any statute of limitations with respect to the USAO prosecuting the defendant for any offense arising from defendant's conduct in this case.

9. This plea agreement does not protect the defendant from prosecution for perjury, false statement, obstruction, or any other such charge for conduct after the date of Indictment.

10. By signing this document, the defendant admits that he is, in fact, guilty of the offense of conspiring to dispense and distribute Schedule II Controlled Substances, namely Oxycodone and Methadose; a Schedule III Controlled Substance, namely Hydrocodone; and a Schedule IV Controlled Substance, namely Alprazolam, and that the Statement of Facts, which is attached hereto and incorporated herein by reference, is true and correct.

11. The defendant agrees to pay the \$100.00 special assessment to the Clerk of the United States District Court for the count to which he pleads guilty no later than the date of his sentencing.

12. If the event the defendant does not plead guilty, or seeks to withdraw his guilty plea, or does withdraw his guilty plea, the defendant hereby waives any protection afforded by Section 1B1.8(a) of the Guidelines, Rule 11(f) of the Federal Rules of Criminal Procedure, and Rule 410 of the Federal Rules of Evidence.

13. The defendant further agrees that he is not a prevailing party as defined by the Hyde Amendment, Public Law 105-119, Title VI, Nov. 26, 1997 (set forth as a statutory note under 18 U.S.C. § 3006A) and hereby expressly waives filing any suit or asserting any claim against the United States, including its agents and employees, arising out of or otherwise relating to this case, under this or any other provision.

14. To the extent permitted by law, the defendant gives up the right to appeal his conviction and sentence, including the manner in which the sentence is determined, provided that the sentence is at or below the statutory maximum. The defendant further understands that the United States retains its right to appeal the sentence. However, if the United States files such an appeal, the defendant shall be released from the above waiver of appellate rights. To the extent permitted by law, the defendant further waives and gives up any right to bring a post-conviction collateral attack on the conviction or sentence.

//

//

//

//

//

//

//

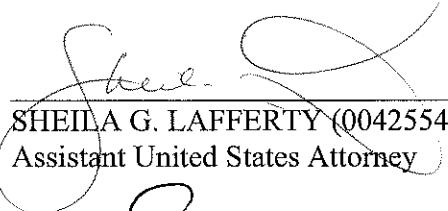

//

//

//

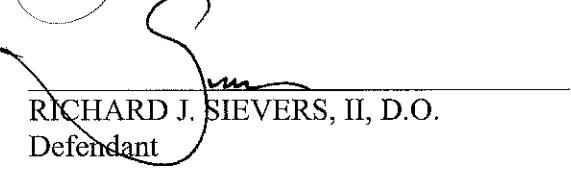

15. This written plea agreement embodies all of the agreements and understandings between the USAO and the defendant. No conversations, discussions, understandings, or other documents extraneous to the plea agreement shall be considered part of this plea agreement. By signing this plea agreement, **RICHARD J. SIEVERS, II, D.O.** acknowledges that he has discussed its terms with his attorney and understands and accepts those terms voluntarily and knowingly. This plea agreement binds only the USAO and does not bind any other federal, state or local prosecuting authority. The defendant further agrees that he is satisfied with the representation of his attorney in this matter.

**STATEMENT OF FACTS  
RICHARD J. SIEVERS, II, D.O.**

**For the information of the court:**

In 2007, the Drug Enforcement Administration (DEA), Dayton Resident Office, and the Warren County Drug Task Force (WCDTF) began investigating a prescription medicine distribution organization in the Dayton, Ohio area. As a result of this investigation, agents determined that a number of individuals, including RICHARD J. SIEVERS, II, D.O., Sherry Marshall, Lance Eugene Horn, John Andy Mayl, Daniel Sain, Nancy Hurley, Charles Elbert Hall, Jacob Eli Cross, Lynville Eugene Hatton, Kenneth Marshall, and others, conspired together and were responsible for fraudulently dispensing and distributing thousands of unit doses of prescription medicine, including but not limited to Amphetamine, Oxycodone (Oxycontin), Methadose (Methadone), Hydrocodone (Vicodin) and Alprazolam (Xanax), in the Dayton, Ohio area and elsewhere between January 2007 and January 2008.

Oxycodone/Oxycontin, Methadose (Methadone) and Amphetamine are Schedule II controlled substances, Hydrocodone (Vicodin) is a Schedule III controlled substance and Alprazolam (Xanax) is a Schedule IV controlled substance.

**FACTS:**

Richard Sievers, II, D.O., is a doctor of osteopathic medicine having been duly licensed by the State Medical Board of Ohio on approximately November 9, 1982. After obtaining his medical license to practice in the State of Ohio, the DEA issued registration number AVxxxxxx to him which authorized him to write prescriptions for controlled substances in accordance with the provisions of 21 CFR § 801, et. seq.

In January 2007, **DR. RICHARD J. SIEVERS, D.O.** re-opened Walnut Hills Family Care, a medical practice located at 1900 Wayne Avenue, Dayton, Ohio. This practice remained open until November 6, 2007. Sherry Marshall was the office manager for **DR. SIEVERS'** office and Kenneth Marshall, the husband of Sherry Marshall, did odd jobs at the medical practice. Shortly after the practice opened, **DR. SIEVERS** met with a patient who proposed that **DR. SIEVERS** supply him and others (hereinafter referred to as "patients") with prescriptions for controlled substances (specifically, Oxycontin, Methadone, Vicodin and Xanax) that, at the time they were given, would be provided without a proper medical examination, which is contrary to established medical protocol.

**DR. SIEVERS**, with the assistance of Sherry Marshall and others, knowingly agreed to distribute Schedule II, III, and IV controlled substances to the "patients" by writing and approving prescriptions that were not issued for a legitimate medical purpose and were not in the usual course of his medical practice. In particular, the "patients" were not given proper medical examinations prior to the issuance of the prescriptions for the controlled substances. The "patients" would then provide money in return for the issuance of the prescriptions. The "patients" picked up the prescriptions at Walnut Hills Family Care.

//

//

//

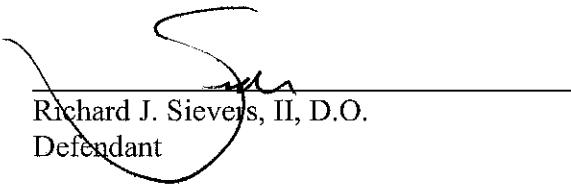

//

//

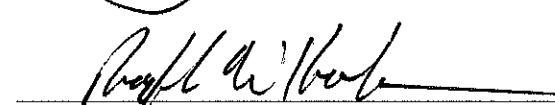

Exhibit A (attached hereto and incorporated by reference) represents the fraudulent prescriptions described above for which **DR. SIEVERS** is responsible. This is the amount attributable to **DR. SIEVERS'** and reasonably foreseeable to him during the course of this conspiracy. When these drugs are converted to marijuana for sentencing purposes, the resulting quantity equates to approximately 23,075 kilograms of marijuana.

**I HEREBY CERTIFY THAT THE ABOVE STATEMENT OF FACTS IS TRUE AND ACCURATE.**
